(Redemption, Protection and Restoration)

THE BATHSHEBA AND ESTHER TRUST

We are establishing this trust that will enable the people to be governed by the people and for the people so that they will be able to establish their own possessions of land, personal property and keep the monetary work of their hands and provide for their own health care.

Leviticus 26:40-46

New King James Version (NKJV)

“*But* if they confess their iniquity and the iniquity of their fathers, with their unfaithfulness in which they were unfaithful to Me, and that they also have walked contrary to Me, and *that* I also have walked contrary to them and have brought them into the land of their enemies; if their uncircumcised hearts are humbled, and they accept their guilt— then I will remember My covenant with Jacob, and My covenant with Isaac and My covenant with Abraham I will remember; I will remember the land. The land also shall be left empty by them, and will enjoy its sabbaths while it lies desolate without them; they will accept their guilt, because they despised My judgments and because their soul abhorred My statutes. Yet for all that, when they are in the land of their enemies, I will not cast them away, nor shall I abhor them, to utterly destroy them and break My covenant with them; for I *am* the LORD their God. But for their sake I will remember the covenant of their ancestors, whom I brought out of the land of Egypt in the sight of the nations, that I might be their God: I *am* the LORD.” “These *are* the statutes and judgments and laws which the LORD made between Himself and the children of Israel on Mount Sinai by the hand of Moses.

We have awakened to the fact that we have followed the unlawful traditions of the Global Elite, and are extracting ourselves from those laws and traditions of men. And accepting the ways of our Heavenly Father, YHWH (God), are submitting to His ways of restoration of abundance for all humanity.

Provisions will be set aside for and categorized as the following:

Foreclosed properties – If still uninhabited, the people put out of their homes shall be returned. If inhabited, new owners will remain and displaced previous owners provided land and funds to rebuild equivalent to what they had.

Homeless – Much land is available globally that can be used to provide housing. For those that have never had a home, supervision will be provided to teach them how to care and maintain a home, until such time as that supervision is not required.

Personal Property that has been lost or stolen – Documentation proving what was lost or stolen, shall be replaced.

Entrepreneurial businesses supporting job restoration – Business plans will be submitted for review, and if necessary, mentors provided to assist in business startups until established and ongoing. Business projects are already in place throughout the nations to promote job growth.

Clean water technology for optimal health and free energy will be provided to all people. Also, all people will be given access to proven natural remedies that have been kept from them by the global control agents. These will be provided via TV, DVDs, CDs, naturopaths and books.

Food sources have been polluted through compromised seed and genetically modified seed. Seed that is clean and from original sources will be provided. Aquaponic technology will be provided to the nations to assist in rebuilding food supplies globally.

School and medical infrastructures will be provided or restored as necessary based on local populations.

Transportation infrastructure – Roads and bridges will be installed to enable transport of necessities of life to global population centers. Transport trucks and cargo planes will also be provided to facilitate movement of materials.
